

WALK LIKE AN EGYPTIAN

HOOK

Become an Egyptologist by spending the day 'discovering' what life was like in Ancient Egypt by completing various activities:

- Interviewing Howard Carter
- Mummification by mummifying tomatoes!
- Writing in hieroglyphics
- Exploring a tomb

And much more!

English

Immerse ourselves into our class text – 'Secrets of a Sun King' by Emma Carroll.

Computing

Using Google Slides to design and create your own pyramids presentation.

Science

To learn about reversible changes.

History

Enquire and explore what different sources teach you about Ancient Egypt.

OUTCOME

Return to your role as an Egyptologist!

Become an expert in an area of Egyptology and create your own exhibition in our own Egyptian Museum.

History

Discover and compare the first ancient 'civilizations'.

You will have the opportunity to use virtual reality to explore Ancient Egypt by looking at the pyramids, Egyptian tombs, cities, Nefertiti's tomb, the afterlife, Tutankhamun and Howard Carter.

History
Explore the beliefs and attitudes of the Ancient Egyptians.

English

Practise diary-writing techniques inspired by 'Secrets of a Sun King'.

Science

Identify and separate mixtures through experiments.

English

Inspired by the story, use your historical knowledge to write your own diary entry from the viewpoint of the main character.
