Wednesday 19th November

Year 6 Bikeability

Friday 28th Nov - Thursday 4th Dec

Dear Parents and Carers,

The Bikeability course begins next Friday (28th November). It is great to see so many children signed up to the course which is designed to teach the children about road safety when on their bike.

Starting next Friday (28th November), the children will spend approximately 90 minutes of the school day completing the course. We strongly recommend the children wear coats and gloves as the weather continues to get colder.

As we want as many children as possible to participate in the course, I have asked Bikeability for more spaces to be made available. They have kindly agreed to provide an additional adult, meaning that more children can be safely guided on the roads. Therefore, there are still a small number of spaces available for you to book a place. The link has gone live again and will remain open until Monday or until the remaining spaces have been taken. Below is the link and QR code emailed out in October.

If you are unable to access the link, please contact the school reception. Providing there are spaces still available, we will help with the registration process.

Yours sincerely,

Mr B Perry
Year 6 Leader
