Please complete the google form to indicate which session you will be attending:

[Yr6 SATS Information Sessions 2026](#)

Please note that these sessions are aimed at adults so we would recommend that children do not attend unless you absolutely have no other option.

This is a really useful meeting as we hope to be able to give you a few tips about how you can help to prepare your child for this very important week. It is also a great opportunity for you to find out what happens in school during the lead up to the tests and how SATs week is run. We will be talking through general information and then giving more specific details about each of the tests for English and Maths. During the meeting, you will see the types of questions your child will face and this may help you to understand what your child will be tackling in their SATs. Most importantly, we will be providing information on how you can help your child at home.

SATs Revision Books

We are offering the opportunity to order revision books which will help you when supporting your child at home.
