Year 6 Bread Making

Dear Parents and Carers,

On Thursday 5th February and Thursday 12th February, Year 6 children will participate in two bread making lessons, linked to our Dragonology topic.

On **Thursday 5th February**, all children will participate in their first bread making lesson where their bread will be shaped into a part of their dragon. Following their evaluation, the children will make adaptations to their recipe and design and make the bread again on **Thursday 12th February** - ready for the outcome that afternoon (2.20pm).

Your child will be given all ingredients needed - you **do not** need to purchase any ingredients. However, we do need help with additional equipment. It would be greatly appreciated if you could provide your child with a large bowl on both days in which they can mix their ingredients. We will ensure that all equipment brought into school will be washed, dried and taken home at the end of the day.

Thank you for your continued support.

Mr Ben Perry
Year 6 Leader
