RE: 6SS

Dear Parents/Carers of 6SS,

As we approach SATs week, I wanted to share some information with you regarding 6SS and arrangements moving forwards into the second part of the Summer Term.

Firstly, I am confident that the children have enjoyed being taught by Mr McCoy these past few weeks. Having visited the class on numerous occasions, the class seem settled and eager to learn. Mr McCoy will remain with 6SS up to and including SATs week.

However, Mr McCoy will then return to his Year 4 class. So, what will 6SS look like going forward?

Unfortunately, Mr Swift is still absent from school. Therefore, I can confirm that 6SS will be taught every day (mornings and afternoons) by Mr Ramplin. Mr Ramplin has been teaching in Year 6 alongside Miss Fletcher in 6MF. He will also be a full-time member of the Abbotswood teaching team in September. All of your children will have met him at some point during this year.

Thank you for your support during this period of change. I just wanted you to know that we always put the needs of your children first in every decision we make. Thank you.

Yours sincerely,

Mr Glenn Moore
Headteacher
