Dear Parents and Carers,

Important Update – School Messages via the Arbor App

We would like to remind all families to ensure they have downloaded and logged into the Arbor app, and that push notifications are switched on for the app on their device.

Over the coming weeks, we will be moving away from text messages and instead using Arbor in-app messages for urgent communications and important updates. To make sure you continue to receive timely information from the school, it is important that push notifications are enabled.

If you have not yet set up your Arbor account, please do so as soon as possible.

Guidance for the Arbor App can be found here:

Thank you for your support in helping us improve communication between home and school.

Yours sincerely,

Claire Waters
Senior Administrator
