Monday 20th October

## Year 6 Bikeability

Dear Parents and Carers,

Tomorrow morning, you will receive some information about the chance to sign your child up to Bikeability - a road safety training programme funded by the Department for Transport. This is open to Year 6 children at Abbotswood.

All the information, including details about how to register your child, will be included in the letter you will receive tomorrow.

Although we have offered this training programme to Year 6 children at Abbotswood before, the registration process is slightly different this year. The company has asked for parents / carers to register digitally. Tomorrow, you will receive a link / QR code to follow.

The letter you will receive is from the Bikeability Team. However, it will be sent to you by our admin office.

The session dates will vary from class to class because of the size of our school. However, the training for all registered children will be between 28th November - 4th December.

If you have any further questions after reading tomorrow's information, please either contact Bikeability directly (contact information in tomorrow's letter) or contact Abbotswood's reception.

Yours sincerely,

*Ben Perry*

Mr B Perry  
Year 6 Leader.
