

Your child's Flu vaccine is due

FLU: 5 REASONS TO GET PROTECTED AGAINST FLU

1. Protect your child - The vaccine will help protect your child against flu and serious complications such as bronchitis and pneumonia.
2. Protect you, your family and friends - Having the vaccine will help protect more vulnerable friends and family.
3. No injection needed - The nasal spray is painless and easy to have. (A porcine free injection is available)
4. It's better than having flu - The nasal spray helps protect against flu and has been given to millions of children worldwide and has an excellent safety record.
5. Avoid costs - If your child gets flu, you may have to take time off work or arrange alternative childcare.
