## ENRICHMENT

To enhance our topic and for the children to learn about Geography fieldwork, Year 4 will be going to the New Forest. Each class will spend the day around the Tall Trees trail at Blackwater. More details will be provided closer to the time.

## HOME LEARNING ACTIVITIES

In Lower School, your child has two weekly home learning tasks:

- 1) Reading – due every Wednesday
- 2) Times Tables – due every Wednesday.

To complete the Space Race, they will need to read three times a week and record it in their reading diary. For times tables, they will need to play at least five games a week on TTRS. Times Tables are incredibly important in Year 4 as the children will be working towards sitting the **MTC (Multiplication Tables Check)** at the end of Year 4, which will test their recall of their times tables.
