RE: The Amazing Digital Circus

Dear Parents and Carers,

We have been made aware of an animated series called 'The Amazing Digital Circus', which is currently available on streaming platforms, including Netflix.

At first glance, the programme may appear to be aimed at young children due to its colourful animation, cartoon-style characters and playful title. However, the content is intended for an older audience and includes themes and scenes that many parents may find unsuitable for primary-aged children. The show carries a **12 rating on Netflix** and includes content warnings for violence, strong language and drug misuse. Some episodes also contain scenes that could be upsetting for younger viewers.

Actionable Recommendations for Parents

- **Check account settings:** Ensure your child's Netflix profile uses parental controls and content age limits to prevent access to unsuitable material.
- **Monitor online viewing:** Be aware that clip compilations, fan art and related content from this series are widely circulated on open platforms such as YouTube and TikTok.
- **Have an open conversation:** Ask your child if they have seen or heard about the show and encourage them to speak to a trusted adult if they ever see something online that makes them feel uncomfortable or upset.

Thank you for your continued support.

Yours sincerely,

The Safeguarding Team
