

Harvest Assembly

11th September 2025

Dear Parents

On **Tuesday 7th October**, we will be celebrating Harvest with an assembly presented by Ellie and Joyce from Southampton City Mission. We will be collecting food to give to those in need in our community.

If you would like to send in a food donation, please send it in with your child on **the morning of the 7th October**. We will have trolleys by both gates. When the children come into school, they can put their donations straight onto the trolley for the assembly. Tinned and packet goods are the most useful as they last longer.

All donations will go to the Basics Bank which supports local people in Southampton by providing much needed food supplies.

Sadly, there is a growing need for support from food banks and we hope we can make a difference as a school. They have sent us a link to their website where there is a regularly updated shopping list of their most urgently needed items: [SCM's Basics Bank Shopping List](#)

The following items are currently out of stock:

Tinned Cold Meat (Ham, Spam, etc.)
