Dear Parent / Carer

As part of our ongoing commitment to provide the best possible support for all pupils at Abbotswood Junior School, we are reaching out to request your assistance in identifying children who are post-looked after.

Post-looked after children are those who were previously in the care of the local authority, but are now living with their adoptive parents, carers, or in other permanent arrangements.

It is important for us to be aware of these circumstances so that we can ensure appropriate support and resources are available to help your child thrive in their educational journey.

If you believe your child falls into this category please complete the following form by Friday 24th October 2025.

This will enable us to better understand and meet the needs of your child. If you have any questions or require further information please contact Mrs Vigar, SENDCo.

Thank you for your support

Kind regards

Mrs Vigar
